

Mrs. Smith's Math

3rd Grade Disclosure 2022-2023

MATH CLASS INFORMATION

MATH CLASS:

We will be using the Ready Classroom Mathematics program that coordinates with i-Ready.

The program, i-Ready, is an online portion of our math. Students are required to complete 45 minutes each week. I allow time in class for this to be completed, but if your child is absent or does not complete it in class, they will need to complete their time at home. Please log on to stay on track. i-Ready time is part of their grade. Students may also log on for extra practice.

HOMEWORK:

Most days we will complete a lesson from the math textbook. Students will be given time in class to complete their homework assignments. If it is not completed in class, they are expected to finish it at home and turn in their completed homework the following day.

If students would like to fix their grade, they can make corrections for half a point each. Students will be given time in class to complete their homework, though if not completed, it will be taken home to finish.

GOOGLE CLASSROOM:

All assignments will be posted on Google Classroom. Students will use this platform to access their assignments in class. This also allows students to access their assignments to complete any missing work if they are sick, on vacation or absent for other reasons.

MRS. SMITH'S MATH GOOGLE CLASSROOM CODE: 5HJ6KCD

GRADING:

Grades will be updated weekly and available for you to see. Please check Aspire frequently. If you have any questions or concerns about your child's grade, please contact me.

Classwork	20%
Fluency	10%
Homework	20%
Quizzes	20%
Tests	30%

M - Mastery	85% - 100%
P - Passing	70% - 85%
R - Review	0% - 70%

NOTE: Mrs. Palmer and I share a classroom. She teaches Literacy in the morning and I teach Math and Homeroom in the afternoon.

GENERAL INFORMATION

COMMUNICATION:

- Email: asmith@wasatchpeak.org - You will receive weekly updates each week on Mondays. Email is the quickest way to reach me, as I try to respond within school hours/24 hours.
- Zoom: I am happy to meet virtually by appointment. Zoom ID: 355-396-3192
- Website: <http://smithandpalmer.weebly.com>

GOALS:

I have three main goals as a teacher at Wasatch Peak Academy. I hope that we can work together this year to reach these goals:

1. I will provide a positive learning environment for all students.
2. I will help your child enjoy learning and have the desire to learn more.
3. I will challenge each of my students, helping them to reach their full potential.

SCHOOL POLICY REMINDERS:

- Dress Code Policy (Found on WPA Website)
- No gum
- No cell phones or smart watches in class
- Birthdays - Healthy snacks may be brought in, but need to be planned with teacher
- If a student has 6 or more tardies or unexcused absences, they will receive a U for their Homeroom Citizenship grade

SUPPLIES:

- See Grade List on WPA Website
- Folder, Notebook, Pencils, Erasers, Headphones, Skinny Expo Markers, Colored Pencils

PARENT VOLUNTEERS & DONATIONS:

The support of our amazing parent community is one of things that helps make Wasatch Peak Academy a phenomenal place to learn. Here are some ways you can get your 30 volunteer hours (per family) for the school year:

- Decorate Classroom Door
- Donate Supplies (See Amazon Wishlist)
- PTO Events
- Volunteer in the Classroom (At-Home Volunteer Opportunities will be emailed out)

TAKE HOME FOLDER:

Each student will have a take-home folder. Students are responsible for taking these to and from school to encourage organization and responsibility skills. Please check these daily for important announcements, homework and finished work.

ABSENCES & TARDIES:

Student attendance is one of the most significant factors in a child's education. More than 6 absences (excused or unexcused) in one term will automatically result in a Homeroom citizenship mark of U (unsatisfactory). Three to six will result in N (needs improvement). This also correlates with tardies.

GRADING PROCEDURES:

Grades will be updated weekly and available for you to see. Please check Aspire frequently. If you have any questions or concerns, please contact me.
